Dear Dr. Tower,

The West Virginia University's Office of the Provost has performed a review of the Women's Resource Center. The review was informed by a self-study provided by the unit, a stakeholder survey, and institutional data on budget and staffing. Accompanying this recommendation are two additional files: the unedited comments provided through the stakeholder survey, and a summary of those comments.

The recommendation for the unit is:

- **Continuance at the current level of activity**
- Continuance at the current level of activity with specific action
- Continuance at a reduced level of activity
- Identification of the unit for further development
- Development of a cooperative unit
- Discontinuance

The key findings of the review that led to this recommendation are:

- 1) The unit is small and productive.
- 2) The unit serves a key aspect of WVU's mission.

The unit's leader should notify the staff within this unit of the Provost's Office recommendation by forwarding this email and attachments immediately upon receipt.

No actions are required of the unit.

Sincerely

WVU Office of the Provost
