Dear Dean Cyprés and Dr. Nathan Sorber:

In accordance with the provisions of Board of Governors Rule 2.2, the Program Review Appeal Hearing for the School of Education was held on August 31, 2023, at 10:30 a.m.

The Appeal was of the following Preliminary Recommendation(s):

- MA Special Education: Discontinuance
- MA Higher Education Administration: Discontinuance
- PhD Higher Education: Discontinuance
- Reduce number of faculty positions in the unit from the current number to 18.

The members of the Program Review Appeal Committee for this unit were:

- Diana Davis, Faculty Senate representative

The following individuals participated in the presentation of the Appeal for the unit: Nathan Sorber and Matthew Campbell. These individuals and/or this unit submitted additional documentation and information in advance of the Hearing.

**Result of the Program Review Appeal**

Taking the information presented into consideration, the Committee has made the following determinations:

- Grant the appeal of the discontinuance of MA Special Education by a vote of 6 to 1.
- Deny the appeal of the discontinuance of MA Higher Education Administration by a vote of 7 to 0.
- Deny the appeal of the discontinuance of PhD Higher Education by a vote of 7 to 0.
- Deny the appeal of the reduction of the number of faculty positions in the unit from the current number to 18 by a vote of 5 to 2.

The key components that led to the Committee’s determination(s) include the following:

- Decrease in student credit hour production;
- Low student-to-FTE ratio;
Unit presented that 6 faculty position reductions could come from programs that have already been discontinued;

Unit presented a plan for adjusting workload for tenured/tenure-track faculty not engaged with doctoral program or active in research to a 3/3 load;

MA in Special Education has grown enrollment each of last two fall terms and is delivered in a cost-effective manner; and

MA in Higher Education Administration and PhD in Higher Education would need significant revisioning to be delivered to serve K-through-18 leadership.

**Reduction of Faculty Positions**

Through this process and as a result of the Appeal decision(s), the Provost’s Office has determined that the number of faculty positions in the unit should be reduced from its current number to 18.

If this recommendation is approved by the Board of Governors, the Provost’s Office, in consultation with the dean’s office and the chair (where applicable), will develop the Reduction in Force Plan, which will determine the specific faculty members who will be retained or subject to a reduction in force / non-renewals for this unit. Additionally, that process will include discussion of which faculty positions can be eliminated as of May 9, 2024, and which positions may be needed for one or two years beyond May 9, 2024, for teach-out programming. Faculty will learn on or around October 16, 2023, whether their positions will be eliminated or retained, or if they will be asked to stay on for a longer period of time to complete teach-out programming.
**Providing Comments to WVU Board of Governors**

Individuals have two opportunities to provide comments to the Board of Governors in advance of the September 15 vote. First, they can provide a written comment about a Provost’s Office Final Recommendation or about WVU Transformation generally by completing this comment form. To ensure that the Board members have appropriate time to review any comments received, we ask that they please submit comments at least two days in advance of September 14.

Second, if they wish to sign up to speak at a Board meeting, they may do so by completing this form. If possible, individuals should try to submit their request to speak at least two days in advance of September 14. However, they will still be able to sign up in-person in advance of the start of the September 14 meeting. Depending on the number of individuals that sign up to speak, the Board may limit the number of speakers who may address a particular topic. The time that each speaker can speak will also be limited based upon the number of speakers.

**Notifying Your Faculty and Staff**

You must notify the faculty and appropriate staff within this unit of the Provost Office’s Final Recommendations by forwarding this email and CCing Associate Provost for Curriculum and Assessment Lou Slimak (Louis.slimak@mail.wvu.edu). This notification should occur immediately after receiving this letter.

**Additional Resources**

The Provost’s Office is currently working toward securing services with a career outplacement organization to assist faculty and staff who are affected by the current non-renewal or reduction in force processes. Specific details about this service and how to participate will be forthcoming.

Additionally, the WVU Faculty and Staff Assistance Program (FSAP) is a free, confidential resource for all active and retired faculty, staff and their dependents (i.e., spouse or child). It is a safe place where employees can talk about any struggles or concerns they are facing and determine the best way to address them. To utilize FSAP, call their office at 304-293-5590 or email fsap@hsc.wvu.edu to schedule a free appointment with a counselor.
