

August 31, 2023

Dear Dean Jackson and Director Kristina Olson:

In accordance with the provisions of [Board of Governors Rule 2.2](#), the Program Review Appeal Hearing for the School of Art and Design was held on August 29, 2023, at 10:30 a.m.

The Appeal was of the following Preliminary Recommendation(s):

- BFA Art and Design: Continue at the Current Level of Activity with Specific Action
 - Reduce the number of faculty positions associated with the program.
- BA Art History: Discontinuance
- MFA Art and Design: Continue at the Current Level of Activity with Specific Action
 - Reduce the number of faculty positions associated with the program.

The unit appealed the preliminary recommendation of the reduction of faculty positions from the current number to 15.

The members of the Program Review Appeal Committee for this unit were:

- Paul Kreider, Vice Provost
- Lou Slimak, Associate Provost for Curriculum and Assessment
- Evan Widders, Associate Provost for Undergraduate Education
- Sandra Schwartz, Associate Dean, College of Creative Arts
- Rebel Smith, Associate Dean, Chambers College
- Autumn Cyprès, Dean, College of Applied Human Sciences
- Diana Davis, Faculty Senate representative

The following individuals participated in the presentation of the Appeal for the unit: Kristina Olson and Dylan Collins. These individuals and/or this unit submitted additional documentation and information in advance of the Hearing.

Result of the Program Review Appeal

Taking the information presented into consideration, the Committee has made the following determinations:

- Grant the appeal of the discontinuance of the BA Art History by a vote of 7 to 0.
- Grant the appeal of a reduction of faculty positions from the current number to 15 by a vote of 7 to 0.
 - Adjust the reduction of faculty positions from the current number to 16 by a vote of 7 to 0.

The key components that led to the Committee's determination(s) include the following:

- The discontinuance of all undergraduate programs in Art History would not have led to a further reduction in faculty; the current level of faculty proposed by the School is the

minimum necessary to deliver the requirements for NASAD accreditation for programs in the School, the Interdisciplinary College, and the Davis College of Agriculture, Natural Resources and Design.

- Any further reduction to the School's studio faculty would remove necessary expertise required to deliver its programs and maintain accreditation.

Review by the WVU Board of Governors

 - The BA in Technical Art History will still be discontinued and should follow the discontinuance timeline outlined in the original preliminary recommendation letter.

Reduction of Faculty Positions

Through this process and as a result of the Appeal decision(s), the Provost's Office has determined that the number of faculty positions in the unit should be reduced from its current number to 16.

If this recommendation is approved by the Board of Governors, the Provost's Office, in consultation with the dean's office and the chair (where applicable), will develop the Reduction in Force Plan, which will determine the specific faculty members who will be retained or subject to a reduction in force / non-renewals for this unit. Additionally, that process will include discussion of which faculty positions can be eliminated as of May 9, 2024, and which positions may be needed for one or two years beyond May 9, 2024, for teach-out programming. Faculty will learn on or around October 16, 2023, whether their positions will be eliminated or retained, or if they will be asked to stay on for a longer period of time to complete teach-out programming.

Providing Comments to WVU Board of Governors

Individuals have two opportunities to provide comments to the Board of Governors in advance of the September 15 vote. First, they can provide a written comment about a Provost's Office Final Recommendation or about WVU Transformation generally by completing this [comment form](#). To ensure that the Board members have appropriate time to review any comments received, we ask that they please submit comments at least two days in advance of September 14.

Second, if they wish to sign up to speak at a Board meeting, they may do so by completing [this form](#). If possible, individuals should try to submit their request to speak at least two days in advance of September 14. However, they will still be able to sign up in-person in advance of the start of the September 14 meeting. Depending on the number of individuals that sign up to speak, the Board may limit the number of speakers who may address a particular topic. The time that each speaker can speak will also be limited based upon the number of speakers.

Additionally, the WVU Faculty and Staff Assistance Program (FSAP) is a free, confidential resource for all active and retired faculty, staff and their dependents (i.e., spouse or child).
