Dear Ms. Lipscomb,

The West Virginia University's Office of the Provost has performed a review of the Center for Veteran, Military and Family Programs. The review was informed by a self-study provided by the unit, a stakeholder survey, and institutional data on budget and staffing. Accompanying this recommendation are two additional files: the unedited comments provided through the stakeholder survey and a summary of those comments.

The recommendation for the unit is:

- **Continuance at the current level of activity**
- Continuance at the current level of activity with specific action
- Continuance at a reduced level of activity
- Identification of the unit for further development
- Development of a cooperative unit
- Discontinuance

The key findings of the review that led to this recommendation are:

- 1) The unit received many positive comments via the stakeholder survey.
- 2) The unit has achieved recognized improvement over time.
- 3) The unit is small, productive, and serves a key aspect of WVU's mission.
- 4) The unit has helped drive an increase in military-related enrollments and is encouraged to continue these efforts.

The unit's leader should notify the staff within this unit of the Provost's Office recommendation by forwarding this email and attachments immediately upon receipt.

No actions are required of the unit.

Sincerely,

WVU Office of the Provost
