Academic Transformation Program Portfolio Review
Preliminary Recommendation

In accordance with Board of Governor’s Academics Rule 2.2, West Virginia University’s Office of the Provost has performed an Academic Program review for the following programs and majors:

BA in Women’s and Gender Studies

The recommendation for the program is:

- Continuance at the current level of activity
- **Continuance at the current level of activity with specific action**
- Continuance at a reduced level of activity
- Identification of the program for further development
- Development of a cooperative program
- Discontinuance

The following actions should be taken by the program. This includes what response is expected to the Provost’s Office (if any) and when these actions are expected to be completed by.

1) The program must work with the Provost’s Office generally, and the Assistant Provost for Curriculum and Assessment specifically, to develop a program improvement plan, that includes key metric targets and a plan to achieve them. The improvement plan must be submitted to and approved by the Provost’s Office by the end of Spring 2022. The major will be evaluated on its progress in December 2023, at which time, further action may be recommended.

2) The unit will move forward with its plans to develop the BS detailed in its response and, at a minimum, submit the Intent to Plan for that program in CIM by the end of AY 2021-2022.
