Academic Transformation Program Portfolio Review
Preliminary Recommendation

In accordance with Board of Governor's Academics Rule 2.2, West Virginia University's Office of the Provost has performed an Academic Program review for the following programs and majors:

MS Energy Environments

The recommendation for the program is:

- Continuance at the current level of activity
- **Continuance at the current level of activity with specific action**
- Continuance at a reduced level of activity
- Identification of the program for further development
- Development of a cooperative program
- Discontinuance

The following actions should be taken by the program. This includes what response is expected to the Provost's Office (if any) and when these actions are expected to be completed by.

- 1) After meeting with their dean's office to discuss this recommendation and determine the college's and division's strategy for the program, the program must work with the Provost's Office generally, and the Associate Provost for Curriculum and Assessment specifically, to develop a program improvement plan that includes key metric targets (including ways to improve program enrollment) and a plan to achieve them. The improvement plan must be submitted to and approved by the Provost's Office by **May 31, 2023**. The major will be evaluated on its progress initially through its Board of Governor's program review in **December of 2023**, on **July 1, 2024** and again on **December 1, 2025**. At any time, based on progress made to date, further action may be recommended.
