Collaborate/Duplication/Efficiency	3
Improve Student Experience	33
Marketing and Customer Service	5
Poor or No Service	2
Reduce Services	1
Do Not Cut	6
Positive Feedback	135
Total Comments	187

## Highlights:

- Overall positive feedback about programs, but lack of clarity or cohesion of the unit as a whole
- Consensus that undergraduate research should be more accessible, e.g., eliminate requirement to publish, more opportunity for students to participate
- Improve collaboration between Pre-Health and science divisions
- Some faculty feel overloaded by mentoring projects and are not compensated or given workload
